

不锈钢真空保温壶

stainless steel vacuum pot

广口聚焦 大气沉稳

Focus on large diameter design

composed & generous

型号Model: SVP-600ZH/1000ZH/1500ZH/2000ZH

容量Capacity: 0.6/1/1.5/2L

— 食品材质，安全健康 —

Food contact material, Safe and Healthy

▷ 产品采用奥氏体不锈钢06Cr19Ni10 (不锈钢SUS304)、与水接触部分为食品接触用PP材质，安全健康。

The product is made of SUS 304 stainless steel as well as all of the plastic parts come from food contact PP or silicone, which is very safe and health.

▷ 全不锈钢设计，外观简洁，符合欧洲市场审美，更耐用。

whole stainless steel design caters to European market demand .It is simple style and durable

▷ 外观专利设计，乐享品质生活，商务和家居都适合。

Appearance patent design

Enjoy high-quality life

Best selection for business and homeware

壶身Body
不锈钢SUS304

外观专利号patent No: 201930148735.2

— 壶盖按钮，操作便捷 —
the button of lid is easy to operation

▷ 壶盖为防滑凹槽设计，方便旋拧开合，防滑，更省力。

The lid of pot is anti-slip groove design, It is convenient to open.

开启
open

关闭
close

— 一键开启，轻松倒水 —
one -button open,easy to pouring

▷ 壶盖一键式开启，单手按压即可出水，轻松使用。

the lid of pot with one-button open design is very convenient for pouring and you can use it only by one-hand pressing

▷ 壶盖360度出水设计，出水量大，倒水省力。

the lid of pot with 360 degree design provides large water yield and saves efforts on pouring

— 防滴落设计 —
anti -dripping design

▷ 出水口防滴落设计，防外溅，出水集中，断水利落。

outlet with anti- dripping design could avoid dripping water and provides high concentration flow .It is efficient water-break

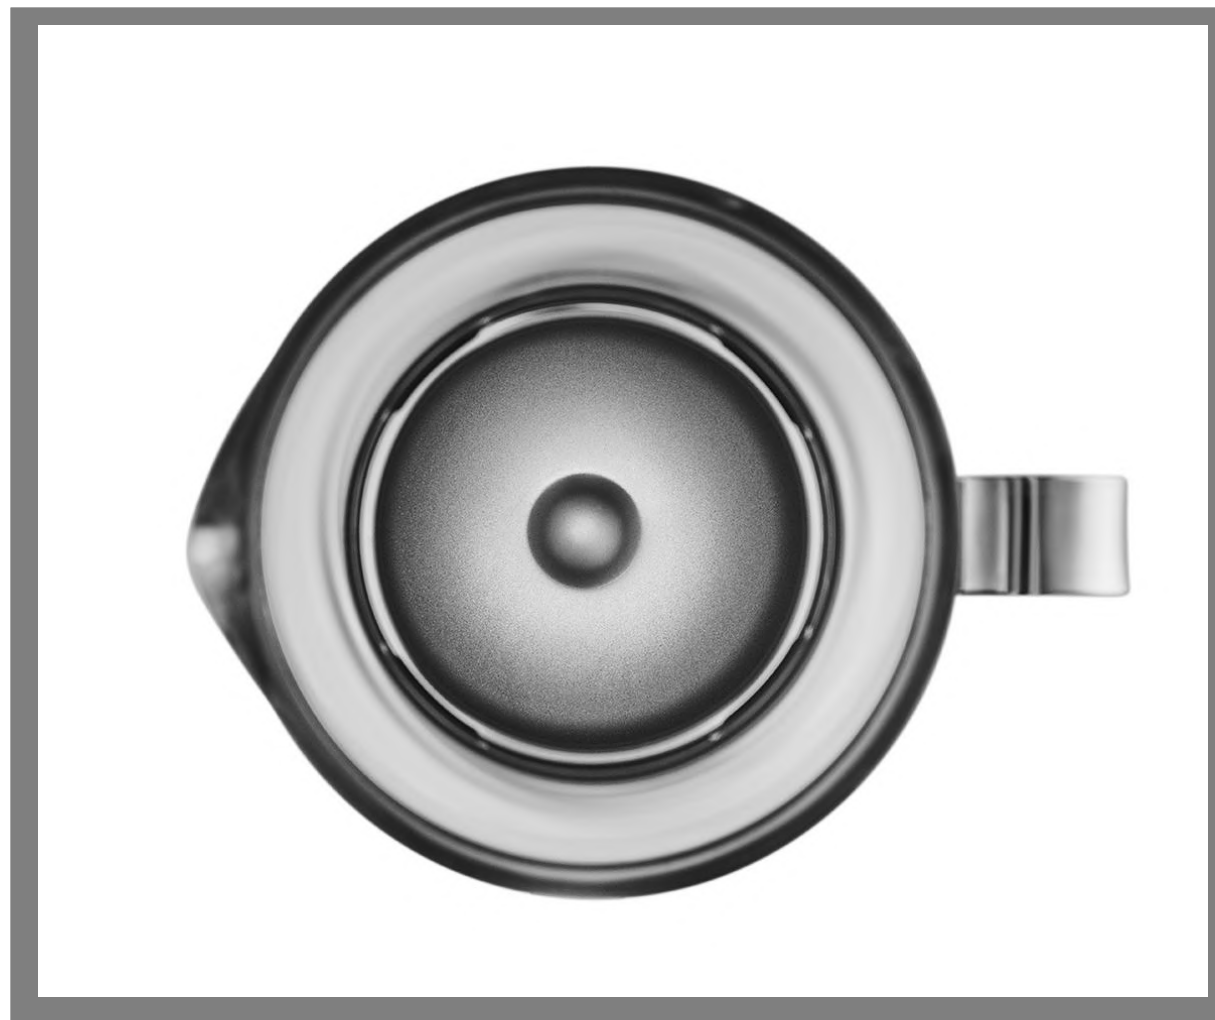

— 匠心质造，品质精良 —
Originality production
Top quality

▷ 内表面电解处理，色泽均匀，有光泽，形成钝化膜，不易黏附污渍，抗腐蚀能力强。

The surface of inner is treating with electrolytic, which formed a passive film to resist stain and corrosion. It is uniform and shiny color

▷ 口径大，注水省力，容易清洗。

Large diameter design is convenient for clean and Water injection

— 人体工学，舒适手柄 —
**ergonomic design,
comfortable handle**

▷ 把手封闭式结构，符合人体工程学设计，美观实用。

enclosed handle accords with
ergonomic design requirements
It's beautiful and durable

▷ 把手边缘为R角设计，使得表面较圆滑，把握舒适。

handle with R angle design offers
comfortable grasping feeling and make
surface more smooth

— 底部内凹 放置稳固 —
**bottom with concave design
stable placement**

- ▷ 采用较厚钢材SUS304, 坚固更耐用。
Product is made of thicker SUS 304 stainless steel, which is durable and stronger
- ▷ 底部内凹设计, 凹底周围形成的均匀基底, 提高了放置台面上稳定性。
bottom with concave design promotes stability for placing.

代码ID: 103005/103006/103187

型号Model: SVP-600ZH/1000ZH/1500ZH

容量 Capacity: 0.6/1/1.5/2L

颜色Color: 本色 nature

材质material: 奥氏体不锈钢06Cr19Ni10
(不锈钢SUS304)、食品接
触用PP、硅胶材质

SUS 304 stainless steel

Food contact PP and silicone

保温时效Temperature retention:

51/63/71/76°C以上 (6小时)

above 51/63/71/76°C 6 hours

包装尺寸packing size: 无 N/A

包装规格packing: 12支/箱 12pcs/ctn

关于我们 About us

China air pressure Insulated pot center
Shanghai industrial design center
Shanghai certified enterprise tech center
Shanghai high-tech and science giant
Shanghai brand cultivation model enterprise

Solid HQ:
Room 1701,the civil aviation
center

official sponsor of china golf team-Solid Ware, was established in 1991.
Over the past 29 years, we have been specialized in the stainless steel insulation ware (cup and pot) industry, and have been engaged in R&D, manufacturing and brand terminal service. Won the title of “shanghai brand” ,”shanghai famous trade mark” which have been keeping over the years so far.
It is one of Shanghai’s high-tech and small giant of technology and science enterprises ,Our trademark "SI LE DE" is a key trademark protected by Shanghai government. So far we have the "Home Series", “Travel Series”, “Office series”, “Hotel Series" four series of products over 300 items. Products exported to more than 50 foreign countries and regions (Europe, North America, Japan, Australia. etc.)
