Shanghai Solid Stainless Steel Products Co.,Ltd was established in 1991. We are one of the earliest producers in China with over 30 years experience in manufacturing stainless steel products both vacuum and no vacuum. Our factory covers an area of 80 thousand square meters with 600 highly skilled employees include more than 30 R&D experts and QC/QA staff respectively. We specialized in ODM as well as OEM products, and pay high attention to social responsibility conformed to BSCI standard.

Our primary machinery is imported from Germany and Japan, with the capacity for average 35days production lead time. We continue to learn from advanced management experience, and established a strict quality assurance system. We have ISO9001:2015 Quality Management System Certification, ISO14001:2015 Environmental Management System Certification, ISO45001:2018 Occupational Health&Safety Certification, ISO28000:2007 Supply Chain Security Management System Certification as partial of our quality control system standard. In 2014 we were awarded the “Shanghai New High-Tech Enterprise”. The Chinese vacuum Airpot Center is also located in Solid. In additional we also has an high grade Test Center where can do most food safe related and function test for stainless steel, plastic, zinc, painting, etc like SGS laboratory. From 2016 our products win Red Dot Award, iF Design Award.

So far we have the “Home Series”, “Travel Series”, “Office Series”, “Hotel Series”four series of products over 300 items. Products exported to more than 50 countries and regions, preferred by customers domestic as well as abroad.
